A.W.S.A. PRESIDENT'S MESSAGE - 1988

On behalf of the AWSA I would like to congratulate the N/NSW Women's Association for the time and effort they have expended to ensure the success of these Titles.

This year sees the introduction of a new format aimed at eliminating many of the problems which have become more and more evident over the past few years. It will provide an exciting finale with corresponding potential for TV and newspaper exposure which is so vital to our continuing search for commercial sponsorship and also relieve some of the pressures placed on participants (both players and officials) with regard to time and money.

With the experience gained in the FIFA sponsored China Tour and the prospect of the Oceania Cup (Brisbane 1989) and World Cup (1990), National Coach John Doyle will, no doubt, be very much on the alert for emerging talent and this Championship, where every State Team produces its best in their endeavour to become Australian Champions, will provide a magnificent show-case of ability and dedication.

Good luck and good soccer to you all.

ELAINE WATSON
PRESIDENT

A.W.S.A. EXECUTIVE DIRECTOR'S MESSAGE - 1988

Ten years ago, the Newcastle Branch of the Northern NSW Women's Soccer Federation hosted the 5th AWSA National Championships. Northern NSW have not yet won a national open-age title. However, they have been runners-up on four occasions and last year they defeated National Champions, Victoria, to win the Australian Airlines Challenge Cup. It is hoped that this year Northern make full use of the home ground advantage to secure their first national title.

Northern NSW officials and members of the Newcastle Amateur Soccer Association began preparations for hosting the 15th AWSA National Championships in 1987. In particular, Fred Eshman, has endeavoured to ensure that all arrangements are satisfactory to the AWSA and participating teams. I would like to extend the AWSA's thanks to Fred and his crew of hard workers on staging the 1988 Championships.

The AWSA would also like to say good luck to players and officials participating in the tournament and I hope that the competition is both enjoyable and competitive. Special thanks are also paid to the many sponsors but especially Mitre, Australian Airlines and the Australian Bicentennial Authority for their support in 1988.

THE AUSTRALIAN WOMEN'S SOCCER ASSOCIATION

The AWSA was formed in 1974 when five teams met to compete in the inaugural National Championship in Sydney.

Competitions on a local and state basis had been played prior to this National Championship in Queensland, NSW and many other states.

The AWSA recognised the need for a national body to co-ordinate the activities of women's soccer and to provide a steering organisation for national teams.

Since 1978, the senior national team has competed in ten international events. The youth team competed in its first international tournament in 1987 when it participated in the Dallas Cup in USA.

The AWSA now consists of nine members states - Victoria, Tasmania, South Australia, Western Australia, Northern Territory, South Queensland, Northern New South Wales, New South Wales and the Australian Capital Territory.

In addition, the AWSA is affiliated to the Australian Soccer Federation and the Oceania Women's Soccer Confederation.

The AWA is administered by a Board of Directors and a national Executive Director. Funding for the NED is granted by the Australian Sports Commission on an annual basis.

Three national Championships are held annually - Under 16, Under 19 and Senior Divisions. These Championships are rotated around the States and each State is given the opportunity to host the events. From the National Titles, Australian Squads are selected for senior and youth divisions.

Member states are responsible for local, district and state competitions and act relatively independent to each other.

It is anticipated that over 20,000 girls and women are playing soccer in an organised way throughout Australia. Membership of the AWSA exceeds 7,000 and national Championships are conducted by the Secondary Schools Sports Association for high school players. In addition, the Primary Schools Sports Association recognises soccer as a viable sport for girls and soccer is an integral sport in the "Aussie Sports" Campaign.

Coaching and refereeing remain reasonably untouched areas for women to become involved in. However, National accredited courses are available for each discipline and women are encouraged to participate in these courses in order to further the development of our sport in Australia.

A TRIBUTE TO THE LATE IRENE SNEYD

VALE IRENE SNEYD

Sad news indeed to hear that Life Member Irene Sneyd passed away on 14th August.

Known affectionately as "Aunty I" to the players of Central Coast and Northern New South Wales over the past decade, Irene was an enthusiastic support whose often-voiced call of "COMM-ON-NORTHERN" became her trademark along with her distinctive hair. To Irene the "black and whites" had no equal amongst the States and perhaps the addition of a touch of red to their uniforms could be taken as a subtle tribute.

Irene also made her mark as AWSA Treasurer for six years and as super-saleswoman at the Open Titles. She was untiring in her efforts to promote women's soccer at all levels - Club, State and National - and toured overseas to support the Australian Team whenever possible until her retirement in 1985.

She will be greatly missed by the soccer community and our sympathy is extended to Lionel and family as we know they will feel their loss very keenly.

Rest well Irene.

PRESIDENT'S MESSAGE

ALLAN HAMPTON
President of the
NNSWWSF Inc

On behalf of the "Northern NSW Women's Soccer Federation" I address this message of welcome to all participants to the fifteenth National Championships.

The senior national championships are the pinnacle of women's soccer in Australia and are the arena for the selection of our national team. Many states have been rebuilding their squads over the past two years which has enabled our younger players to gain experience and the opportunity to represent their States and possibly their country. This has also made the competition results unpredictable. The absence of the Northern Territory will be noticeable for they have been an entertaining team in the past and have caused many an upset.

Our thanks to the Newcastle Junior soccer association in the co-ordination of these championships and to the Tubemakers Club for the use of their grounds and facilities.

With the innovation of a shortened round robin for these titles the outcome will be closely monitored by both players and officials for it will determine the format for future championships.

My congratulations and appreciation is extended to the NNSWWSF and the AWSA committees who have co-operated towards the success of this championship. Wishing you all an enjoyable stay in Newcastle and rewarding competition.

ALLAN HAMPTON, JP
PRESIDENT

MEMORIUM

Irene Sneyd

A driving force in establishing women's soccer since 1977 and junior soccer since 1957, Irene will sincerely be missed by all who knew her. Through her foresight, enthusiasm and dedication over the past fourteen years we have a sport that we all can be proud of.

An administrator with leadership and ideals she gained the admiration of fellow administrators and officials as well as the players, and endeared herself to so many people. From being our number one supporter for the national team to national treasurer for seven years, the central coast women's soccer association's foundation president, treasurer of Northern NSW women's soccer federation for ten years, manageress of national and state teams on various occasions and delegate to the Oceania Women's Soccer Confederation, Irene will never be forgotten in the minds and hearts of everyone in women's soccer.

In honour and memory of Irene, a memorial trophy has been provided for special competitions and shall be awarded from time to time as a tribute to a great lady.

FEDERATION HISTORY

In 1974 an invitation was extended to the Macquarie & District Women's Soccer Association to compete in the first National Titles for Women's Soccer to be conducted in Sydney as they were the only association catering for association football for women. They were permitted to compete under the banner of "Northern New South Wales" in 1974 and did so again in 1975 in Brisbane and Victoria in 1976. During these latter stages other bodies were being organised further north. The then President of the Macquarie & District Women's Soccer Association Mr Kevin White sent invitations to all these he discovered

organising women's soccer to attend a public meeting held in February 1977 to form a Northern NSW Women's Soccer Association.

A successful meeting was held, a constitution was adopted and the election of the first official committee was made, they were President Mr Kevin White, Secretary Mr Keith Henry, Treasurer Mrs Irene Sneyd, Assistant Secretary Mrs Anne Henry, Registrar Mrs Leah White. The "Northern NSW Women's Amateur Soccer Association" was officially formed and covered an area from the Hawkesbury River in the south to the Queensland Border in the north. This enabled girls outside the Newcastle area to be selected in the state team in 1977 to compete in the national titles held in Perth.

Currently women's soccer in Northern NSW is being played not only with organised bodies affiliated with the Northern NSW Women's Amateur Soccer Association, but also in the schools, and universities within the region.

Affiliated Branches to NNSWWASA are:

- Macquarie & Districts Women's Soccer Assoc (Newcastle)
- Central Coast Women's Soccer Association (Gosford)
- Far North Coast Women's Amateur Soccer Assoc (Lismore)
- Tamworth Women's Soccer Association (Tamworth)
- UNE Armidale Women's Soccer Association (Armidale)

Women's soccer is being played in other areas of NSW, however they have yet to form associations and become members as the above have already done.

In 1979 a change of name took place as follows "Northern NSW Women's Amateur Soccer Federation" and at the same time they became affiliated to the Northern Soccer Federation Ltd. Since 1980 the Federation has conducted State Championships between its affiliated Branches in Senior, Under Seventeen and Under Fifteen divisions. The Championships are held over the Queen's Birthday Long Weekend in June each year. From these championships the NNSW State teams are selected in all three divisions. The weekend is highlighted by the presentation disco at which the NNSW state squads are announced.

Through the formation of the Northern NSW Soccer Council in 1982 which comprises the Northern Soccer Federation Ltd, Northern NSW Amateur Federation, The Christian Churches Soccer Assoc. and Northern NSW Women's Amateur Soccer Federation, government funding has been achieved and a greater understanding between the various soccer bodies has resulted. The soccer council has proven that the various soccer bodies can work together on matters of policy and in the interest of soccer in general. Mr Allan Hampton is this federations' delegate on the council and a director as are all of the members.

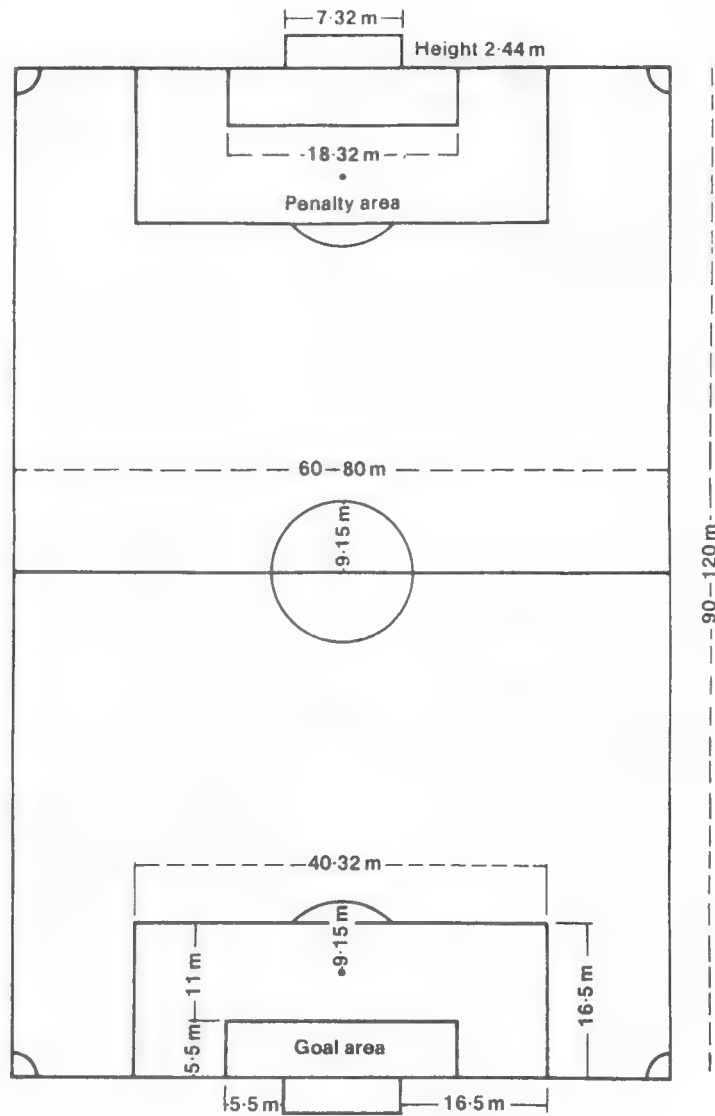

Life membership has been bestowed on Mr Kevin White and Mrs Irene Sneyd with Mr John Brockman a life patron. Other members that have given many hours of service to the federation are Mr Lionel Sneyd, Mrs Pat Moffitt, Mr Allan Hampton, Mr Garry Chamberlain and Mrs Elaine Iserief.

In the short ten years women's soccer has been under way in Northern NSW a great deal has been achieved with the rewards being many. The state Senior team has been runner up at the national titles in 1974, 1980 and 1982. Since the Under Fifteen titles have been played they were runner up in 1981, winners in 1982 and runner up in 1983 with several players being named in the National Squads during this period.

During 1983 discussions were commenced with the Northern Territory and New South Wales to participate in an invitational under seventeen competition. March 1984 saw this competition under way in Darwin and it is hoped this will continue in the following years with other states being involved and eventually be conducted as a national title. A combined conference between Northern New South Wales, New South Wales and Australian Capital Territory took place at the invitation of Northern New South Wales in February 1984 at Gosford in order to create a closer and more understanding working relationship between the states in the interest of women's soccer and proved to be a great success. From this conference a new metropolitan league has been formed, agreement on the various boundaries made and the re-organisation of the October Long Weekend tournament. It is hoped this conference will become an annual event.

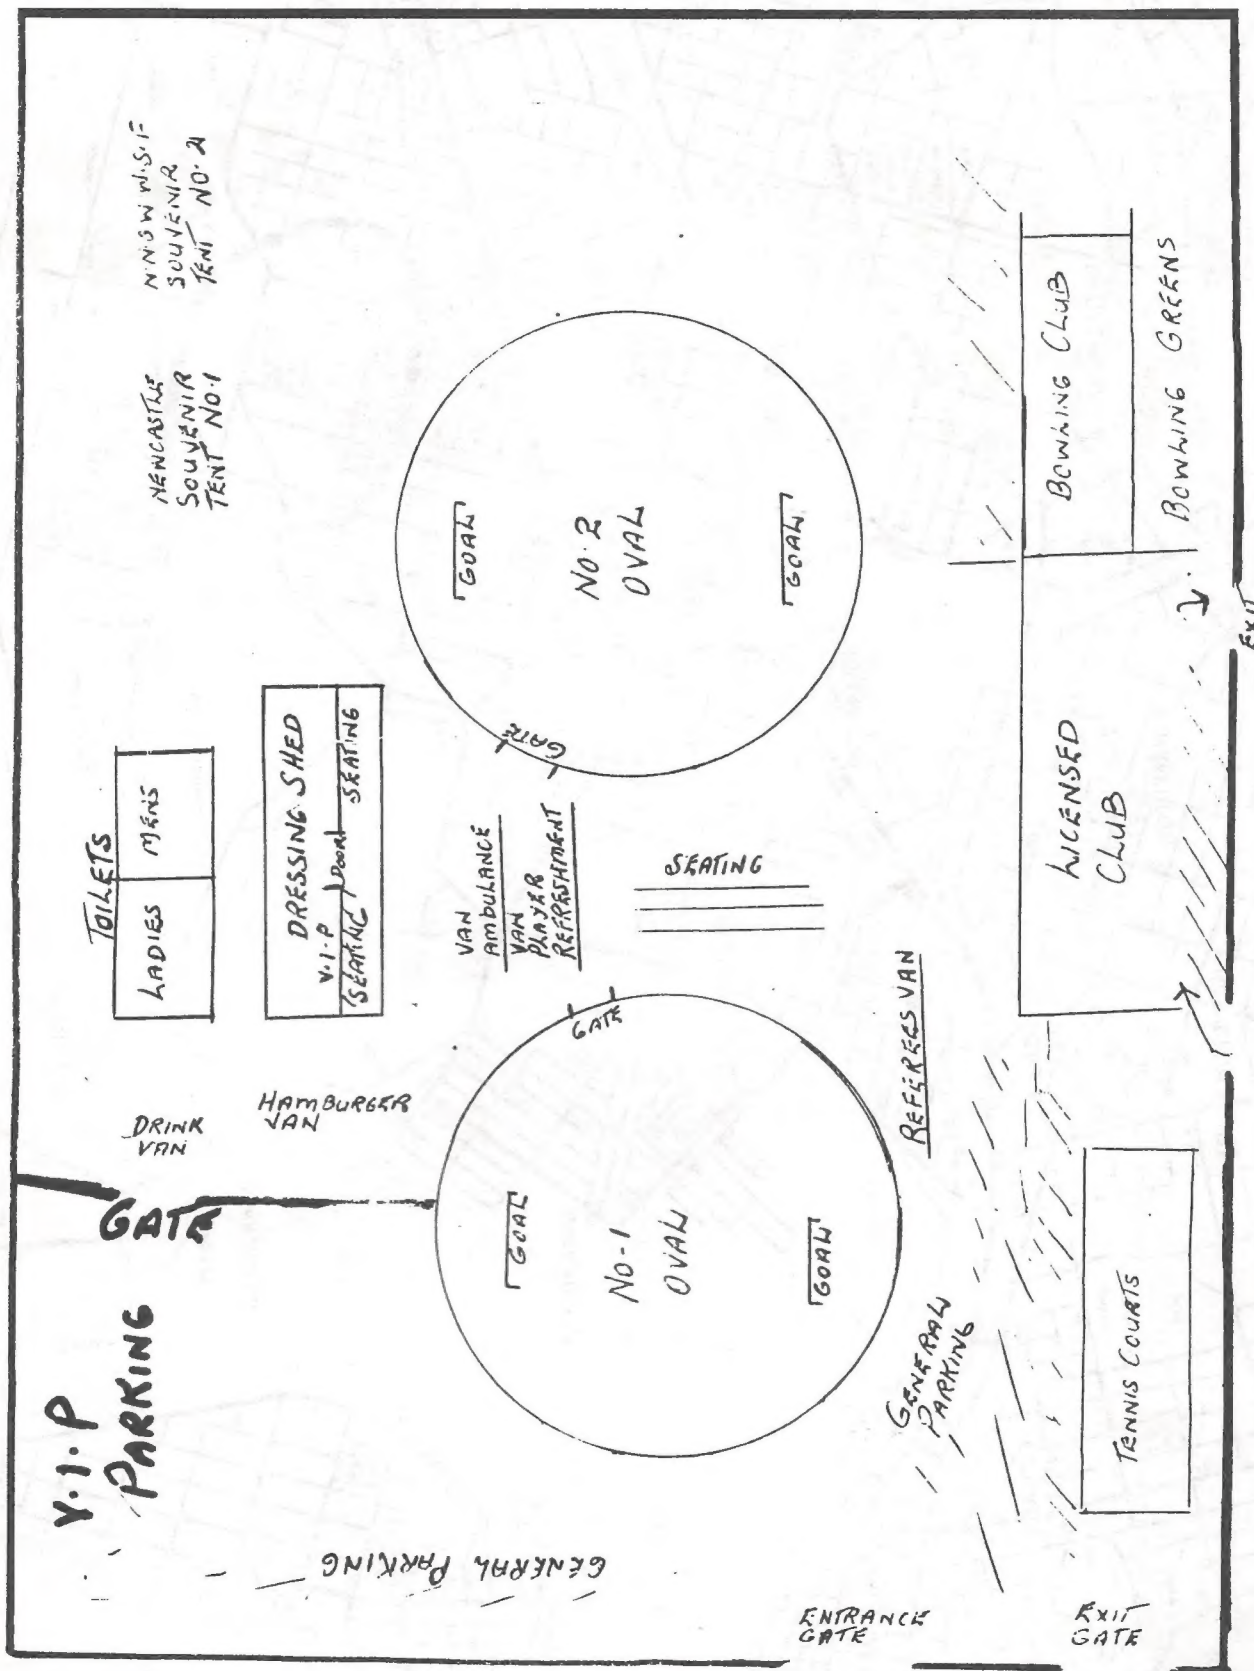

The future certainly looks promising.
